# Christmas in July

As the children at Martha's struggle to understand all that is changing in their lives at the loss of Martha their mother, we at Compassion Corps want to do something to lift their spirits. It's important for them to know that they are loved, that they are not alone, and that we will care for them even from far away.

## **And so.... Christmas in July is here!**

Compassion Corps will be sending over several barrels filled with things the children need that are due to arrive sometime in July. But even more importantly than the "necessities" we want to fill them with things for each individual child so that not one child feels left out.

Right now there are 60 children living there at Martha's Children's Home.

That's where you come in!

For each child, we would like to give them a new outfit and a favorite toy.

Would you consider doing one of the following:

### **Buy an outfit and gift for a specific child.**

To get the name of a child, please send an email request to Beth at [bmcmlen@compassion-corps.com](mailto:bmcmlen@compassion-corps.com).

We will give you the name of a child, his/her size and favorite toy and details on how to get it to us.

### **Donate the funds to allow Compassion Corps to purchase these items in your honor**

To do this, please go to [www.compassion-corps.com/donate1](http://www.compassion-corps.com/donate1) to make an online donation or mail a check to

Compassion Corps, PO Box 103, Chester Heights PA 19017

Thank you so much! God bless you as you bless these precious children!
