

SPONSORS
WELCOME

Presently there are 60 children living at Martha's Children's Home.

With the passing of Martha, Compassion Corps has committed to take on more of the living costs there in order to keep all of the children together.

These costs include salaries for the caregivers, cooks, security guards & teachers as well as food, medicines and other essential items.

If we can have a sponsor for every one of Martha's children, we will have a monthly amount that we can count on to help cover these costs thus keeping the children safe, fed, and educated.

The cost of sponsoring a child is just \$30/month....a small amount that will make a huge difference in not just one child's life but in so many!

Will you consider sponsorship?

If interested, please contact Beth McMillen, Director

bmcmillen@compassion-corps.com

We will get you connected to your special child and help you set up a monthly recurring payment

Thank you for your heart for others! We look forward to hearing from you!
