As we gather with family and friends and count our blessings even in the midst of a difficult year, let us also remember those orphan children in Liberia who lost their mother this year.

Your tax-deductible donation can help us to give these children the love & care they so desperately need.

The Dapplecroft Fund at The Philadelphia Foundation intends to match donations made from December 1-31, 2020 up to \$10,000!

Together we can make a difference!
